

## Welcome to Ogaki Junior High School

Our school is in Etajima City, Japan. It's 73 years old. We have 70 students and about 20 teachers.

### 【An Entrance Ceremony】

An entrance ceremony is held in April. We celebrate the first-year-students. Our principal makes a speech.

### 【A School Festival】

We have a school festival in November every year.

We display works and pictures. We watch them. We have a chorus competition.

### 【School Lunch】

We eat lunch after the 4th period. We eat different food every day. It's delicious. We eat in the classroom.

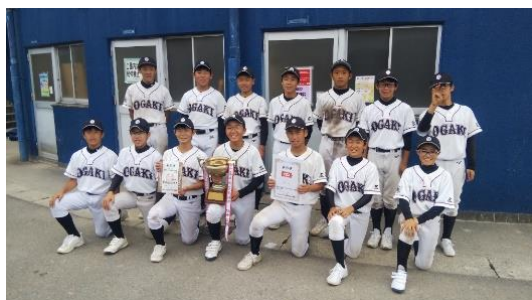

### 【Cleanup Time】

At Ogaki Junior High School, after the 6th period of each day, all the students clean the corridors, classrooms, around the school buildings and the stairs. We use a broom and a rag. We are grateful for the places we use all the time.

### 【Club Activities】

We have 6 club activities. They are volleyball, baseball, tennis, science, school band and track and field club. We do them before and after school. We enjoy it ever day!

The first-year-students found that our HP was not a universal design. We are introducing Ogaki Junior High School in English for the people who don't understand Japanese.
